A huge THANK YOU to all of you for giving your time, energy, ideas and money to make this festival a success. We could not have done it without you! Money raised during our fund raising events this year will be distributed at the end of the year to local and regional organizations.

Dear ULC,

When I started the Rhubarb Festival in 1992, I never dreamed it would continue this long and grow as much as it has. I thank all the women, men, and youth for their active involvement. Some women have spent many, many hours planning and preparing and have made positive improvements with new ideas. I am very grateful for all of you.
